(g) The right of the Board to mortgage any or all of the Common Property for the purpose of improvement or repair of the Common Property with the approval of a majority vote of the Association.

2.2 Delegation of Use. Any Owner may delegate his right of enjoyment to the Common Property to the members of his family, his tenants, or contract purchasers who occupy the Lot within the Property.

2.3 Conveyance of Common Property. The Declarant may dedicate or convey the Common Property (other than the Common Roads) to the Association at such time as all the planned improvements, if any, are complete and in the event the Common Property is unimproved, at such time as the Declarant determines, but in all events prior to the termination of the Class B membership. Such dedication or conveyance shall be subject to easements and restrictions of records, including all those shown on the plat of the Property, free and clear of all liens and financial encumbrances other than taxes for the year of conveyance. The Declaration may reserve certain rights

to itself for use of the Common Property which are not adverse to the Owners.

2.4 Owner's Common Road Easements. It is specifically

acknowledged that the Common Roads will be conveyed by the Declarant to the Association free and clear of all liens and encumbrances, except taxes and except Declarant's reserved right to install, repair, restore and maintain all utilities, street lighting and signage, including without limitation, cable television in the road right of way and right to grant further easements over the Common Roads. Each Owner of a Lot, his successors and assigns, domestic help, delivery, pickup and fire protection services, police and other authorities of the law, United States mail carriers, representatives of utilities serving the Property, holders of mortgage liens on the

property and such other persons as the Declarant and/or Association shall designate, are hereby granted a perpetual non-exclusive easement for ingress and egress over the Common Roads. It is hereby acknowledged that the Declarant shall have an easement over the Common Roads for the purpose of ingress and egress.

The Declarant and the Association shall have the unrestricted and absolute right to deny ingress to any person who, in the opinion of the Declarant or the Association, may create or participate in a disturbance or nuisance on any part of the Property; provided that, the Declarant or Association shall not deny an Owner or Mortgagee

the right of ingress and egress to any portion of the Property owned by such Owner (or) mortgaged in favor of such Mortgagee. The Declarant and the Association shall have (1) the right to adopt reasonable rules and regulations pertaining to the use of the Common Roads; (b) the right, but no obligations, from time to time, to control and regulate all types of traffic on the Common Roads, including the installation of gate houses and gate systems, if the Declarant or Association so elects.

The Declarant and the Association shall have the right but no obligation to control speeding and impose speeding fines to be collected by the Association in the manner provided for assessments and to prohibit use of the Common Roads by traffic or vehicles (including without limitation, motorcycles, "go-carts", three wheeled vehicles), which in the opinion of the Declarant or the Association would or might result in damage to the Common Roads or create a nuisance for the residents; (c) the right, but no obligation, to control and prohibit parking on all or any part of the Common Roads; and (d) the right, but no obligation, to remove or require the removal of any fence, wall, hedge, shrub, bush, tree or other thing, natural or artificial placed or located on the Property, if the location of the same will in the opinion of the Declarant or the Association obstruct the vision of a motorist.

The Declarant reserves the sole and absolute right at any time to re-designate, relocate, or close any part of the Common Roads without the consent or joinder of any Owner or Mortgagee so long as no Owner or his Mortgagee is denied reasonable access from his Lot to a public roadway by such re-designation, relocation or closure. In such event, the foregoing easement over the Common Road shall terminate and the Association shall re-convey the Common Road to the Declarant at the Declarant's request.

ARTICLE III

ARCHITECTURAL CONTROL

3.1 No buildings or accessory structures, fences, mailboxes, walls, driveways, swimming pools, barbecue pits, landscaping or exterior lighting plan or other improvements other than those enacted by Declarant, shall be commenced, erected or maintained upon the Property, nor shall any grading, excavating, or tree removal be commenced, exterior addition to or change be made until all construction, grading and landscape plans and specifications

showing the nature, kind, shape, height, color, materials and location of the same have been submitted to and approved in writing by the architectural Control committee (the "committee") composed of the Declarant, or such agent or agents as may be appointed by the Declarant, in its sole discretion, as to quality of workmanship and materials, color, harmony of external design with existing buildings or structures, location of said building or structure with respect to topography and finish grade elevation and as to compliance with the provisions of this Declaration. Said plans shall be either approved or disapproved by the Committee within ten (10) working days following submittal to same. Construction of approved improvements shall be completed within a period of six (6) months from date construction is begun or such longer time as may be approved by the Committee in its sole discretion. Notwithstanding the Committee's approval pursuant to this paragraph, the Committee does not endorse or guarantee the structural integrity of the improvements so approved. At such time as the Declarant ceased to be a Class B member of the Association, the members of the Committee shall be appointed by the Board of Directors of the Association.

3.2 The Committee shall have the following powers and duties:

- 1) To draft and adopt, from time to time, architectural planning criteria, standards and guidelines relative to architectural styles or details and rules and regulations regarding the form and content of plans and specifications to be submitted for approval all as it may consider necessary or appropriate.
- 2) To require submission to the Committee of two (2) complete sets of preliminary and final plans and specifications as hereinafter defined for any buildings or structures of any kind, including, without limitation, any dwelling, fence, wall, sign, site paving, grading, paving and building additions, alterations, screen enclosure, sewer, drain, disposal system, decorative building,

landscaping, landscape device or object, exterior lighting scheme, exterior colors and finishes. ("Proposed Improvement") construction or placement of which is proposed upon any lot of the Property. The Committee may also require submission of samples of building materials and colors proposed for use on any Lot of the Property, and may require such additional information as reasonably may be necessary for the Committee to completely evaluate the proposed structure or improvement in accordance with the Declaration and the Architectural Planning Criteria adopted by the Committee.

- 3) To approve or disapprove any Proposed Improvement or change or modification thereto, the construction, erection, performance or placement of which is proposed upon any Lot or the Property and to approve or disapprove any exterior additions, changes, modifications or alterations including the color thereof, therein or thereon. Subsequent to the transfer of control of the Committee by the Declarant, any party aggrieved by a decision of the Committee shall have the right to make a written request to the Board of Directors of the Association within thirty (30) days of such decision, for a review thereof. The determination of the Board upon reviewing any such decision shall in all events be final. Provided, however, during the time the Declarant is a Class B Member determination by the Committee shall be final.

- 4) To evaluate each application for the total effect, including the manner in which the homesite is developed. This evaluation relates to matters of judgment and taste which can not be reduced to a simple list of measurable criteria. It is possible, therefore, that a Proposed Improvement might meet individual criteria delineated in this Article and the Architectural Planning Criteria and still not receive approval, if in the sole judgment of the Committee, its overall aesthetic impact is unacceptable. The approval of an application for one Proposed Improvement shall

not be construed as creating any obligation on the part of the Committee to approve applications involving similar designs for Proposed Improvements pertaining to different Lots.

5) If any Proposed Improvement as aforesaid shall be changed, modified or altered without prior approval of the Committee of such change, modification or alteration, and the plans and specifications therefore, if any, then the Owner shall, upon demand, cause the Proposed Improvement to be restored to comply with the original plans and specifications originally approved by the Committee, and shall bear all costs and expenses of such restoration, including costs and reasonable attorneys' fees of the Committee.

COPY

6) In addition, any Owner making or causing to be made any Proposed Improvement or additions to the Property or a Lot agrees and shall be deemed to have agreed, for such Owner and his heirs, personal representatives, successors and assigns to hold the Committee, Association, Declarant and all other Owners harmless from any liability, damage to the Property and from expenses arising from any Proposed Improvement and such Owner shall be solely responsible for the maintenance, repair and insurance of any Proposed Improvement and for assuring that the Proposed Improvement meets with all applicable governmental approvals, rules and regulations.

COPY

7) The Committee is hereby authorized to make such charges for each submittal as it deems necessary to cover the cost of review of the plans and specifications.

ARTICLE VI

RIGHTS AND OBLIGATIONS OF THE ASSOCIATION

6.1 The Association may obtain and pay for the services of any person or entity to manage its affairs or any part thereof to the extent it deems advisable, as well as such other personnel as the Association shall deem to be necessary or advisable for the proper operation of the Association, whether such personnel are furnished or employed directly by the Association or by any person or entity with whom it contracts. The Association shall, at all times, pay the real property ad valorem taxes and assessments, if any, assessed against the Common Property and any other governmental liens which may be assessed against the Common Property, unless the taxes for such Common Property are assessed against each Owner as a part of the tax assessment for each Owner's Lot.

Such bonds shall be in such amounts as the Board deems necessary or convenient or may be required by a mortgagee.

ARTICLE VII

COVENANT FOR MAINTENANCE ASSESSMENT

7.1 The Declarant hereby covenants for each Lot within the Property and each Owner of a Lot is hereby deemed to covenant by acceptance of this deed for such Lot, whether or not it shall be so expressed in his deed, to pay to the Association annual assessments and special assessments. Such assessments will be established and collected as hereinafter provided. The annual and special assessments, together with interest, costs, and reasonable attorney's fees, shall be a charge on the Property and a continuing lien on each Lot against which such an assessment is made. Each such assessment, together with interest, costs, and reasonable attorney's fees shall also be the personal obligation of the person or persons who owned the Lot at the time of assessment fell due, but such personal obligation shall not pass to the successors in title of such person or persons unless expressly assumed by them.

7.2 The annual assessments levied by the Association shall be paid either in monthly or annual installments and used exclusively to promote the health, safety, welfare, and recreation of Owners of Lots in the Property and for the improvement and maintenance of all Common Property, common landscaped areas, portions of the landscaped areas of Lots and all areas required to be maintained under the St. Johns River Water Management District Permit pertaining to the Property, for the administration of the Association, for the establishment of a maintenance of street lighting and signage, for payment of taxes and insurance on all Common Property and for such other purposes as are set forth or permitted in this Declaration, the Articles of Incorporation or Bylaws.

7.3 In addition to the annual and special assessments authorized above, the association may levy and any assessment year a special assessment applicable to that year only for the purpose of defraying in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement on the Common Property. Any special assessment must be approved by a majority of each Class of members who are voting in person or by proxy at a meeting duly called for such purpose. The right of assessment for annual and special assessments authorized herein shall be equal and uniform for all Lots.

7.4 The annual assessments authorized herein shall commence upon substantial completion of the roads and utilities serving a Lot. The Board of Directors of the Association shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of the due date thereof, and shall fix the dates such amounts become due.

Notice of the annual assessments shall be mailed to every Owner subject thereto.

7.5 Notwithstanding any provision to the contrary herein, Declarant, for any Lots which it owns, shall not be liable for assessments either annual or special, so long as it funds any deficit in the operating expenses of the Association. Provided further, in its sole discretion, Declarant may at any time commence paying assessments as to Lots owned by it and thereby automatically terminate its obligation to fund any deficit in the operating expenses of the Association.

7.6 The Association shall, on demand and for a reasonable charge, furnish to the Owner liable for any assessment a certificate in writing, signed by an officer of the Association, setting forth whether the assessments against a specific Lot have been paid, and if not, the amounts owed therefore.

7.7 Any assessment not paid within thirty (30) days after the due date shall be deemed in default, shall bear interest from the due date at the highest rate allowed by law. The assessment plus interest, a late fee not to exceed Twenty Dollars and No/100's (\$20.00) for each assessment not

The Association may bring an action at law against the Owner personally obligated to pay same, or may foreclose the lien against the Lot as provided herein. The Association shall have the right to record a Claim of Lien in the Public Records of St. Johns County, Florida, giving notice to all persons that the Association is asserting a lien upon the Lot. Said Claim of Lien shall state the description of the Lot, name of the record Owner thereof, the amount due and the due date thereof. Such Claim of Lien shall be signed and verified by an officer of the Association and shall continue in effect until all sums secured by same have been fully paid. Upon full payment of the total amount due, the party making payment shall be entitled to a recordable Satisfaction of Lien. No Owner may waive or escape liability for the assessments provided for herein by abandonment of his Lot.

7.8 The assessment lien provided for herein shall be subordinate to the lien of any first mortgage. A sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to a mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the assessment lien as to payments which become due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.

7.9 Upon the initial conveyance of title to a Dwelling Unit or lot from the Declarant to an Owner, such Owner shall pay the Declarant, in addition to any other sums required, a capital contribution equal to two (2) months' installment of the then current Association Assessment. The Capital Contribution shall be held by the Declarant on behalf of the Association and may be used to pay start-up expenses, insurance premiums, utility deposits and delinquent assessments, and to meet unforeseen expenditures or to acquire additional equipment or services. The Capital Contribution Fund may or may not earn interest as Declarant

shall determine.

ARTICLE VIII

8.2 To create a visual and noise buffer to the adjacent residents of Surfwood and Anastasia subdivisions a 10'-0" natural vegetation easement has been placed on these Lots abutting these subdivisions. The land will be deeded to each Lot Owner, however, the land must remain in its natural state with the following exceptions.

- b) If the Owner of a Lot and/or the Declarant desires to construct a 6'-0" high privacy/masonry wall on the property line, he may do so subject to paragraph 4.4 above. The remainder of the 10'-0"

agency or similar entity having jurisdiction over the Property.

9.5 In addition to the rights of the Declarant provided for in Section 9.4 hereof, the Association, with the consent of seventy-five percent (75%) of each class of votes entitled to be cast in accordance with this Declaration, may amend or alter this Declaration or any part thereof.
